HOW OUR PROGRAM WORKS

(Not to be displayed in auction)

Bidding starts just above our special discounted rates for the tickets, which means you will raise money even if only the minimum bid is reached. We are offering these tickets at half off of our normal rates! These special discounted rates are only offered to non-profit organizations through this program. If the ticket(s) sell at your auction, you will simply purchase them from us at our special discounted rate. If the ticket(s) do not sell, then you don't need to purchase them.

To help promote your auction, be sure to print out and use the display banners in this kit and use them to draw attention to your hot air balloon rides. You might even consider adding some helium balloons to your display to make it exciting and fun!

To raise even more money, consider approaching the 2nd or 3rd highest bidder and offer them tickets for the same price as the winning bid, thus selling even more tickets and raising more money!

Consider using a co-sponsor to help cover part or all of your tickets, which can be purchased at our 50% off discounted rate.

This is a limited time offer available only to non-profit organizations.

Grand Traverse Balloons is celebrating 25 years of flying over the Grand Traverse Bay Area. Come fly with us!
